

Privacy Policy

General

The terms of this Privacy Policy apply exclusively to the domains taticview.com, taticview.com, taticview.com and taticview.com (hereinafter referred to as "TaticView").

SADIG, owner of the TaticView services, respects and protects any Personal Information that you may share with us and works hard to comply with every law related to privacy and security of personal information. SADIG's Privacy Policy (hereinafter referred to as "Privacy Policy") describes the privacy practices regarding the collection, use and protection of your personal information by our services, both online and offline. Our practices for protecting your personal information are described in detail in our TaticView Privacy Policy below. As a condition to using our services, you consent with the terms of the Privacy Policy and agree that it may be updated from time to time to better protect your personal data.

Online Underage Protection and Privacy

SADIG does not knowingly collect Personal Information from users who are under 18 years of age.

Information Use and Storage:

Personal Information

During the Registration Process for creating a user account, SADIG requests some personal information, such as your e-mail and a password, which will be used solely for the purpose of providing access to your user account. Your name and email address will be used to inform you regarding new services, releases, upcoming events and changes in the Privacy Policy.

Eventually, SADIG will have access to third-party personal information provided by you as part of using TaticView services. This information may include third-party names, email addresses, and others and will be used solely for servicing your requirements as expressed by you to SADIG. SADIG does not share this third party personal information with anyone for promotional purposes, neither utilize it for any purposes not expressly consented to by you. When you choose to refer friends to the website, SADIG requests their email address and name to facilitate the request and deliver a single informative email.

Usage Details

Your usage details such as time, frequency, duration and pattern of use, features used and the amount of storage used may be recorded by SADIG in order to enhance your experience with TaticView and to help us provide you with the best possible service.

User Account Contents

SADIG stores and maintains files, documents, emails and other information from your user

account at safe servers. In order to prevent loss of data due to errors or system failures, SADIG also keeps backup copies of data including the contents of your user account. Hence your files and data may remain on our servers for some days after deletion or termination of your user account. SADIG assures you that the contents of your user account will not be disclosed to anyone and will not be accessible even to SADIG employees except in circumstances specifically mentioned in this Privacy Policy and Terms of Services. SADIG also does not process the contents of your user account for serving targeted advertisements.

Financial Information

In case of services that require payment, SADIG requests your billing information solely for processing the payments. SADIG does not store any financial information.

Visitor Details

SADIG may use the Internet Protocol address, browser type, browser language, referring URL, files accessed, errors generated, time zone, operating system and other visitor details collected in our log files to analyze the trends, administer the website, track visitor's movements and to improve our website and services.

Cookies Usage

TaticView uses cookies to enhance your experience using our services. By selecting the website language a permanent cookie will be stored in your computer to remember your preference. TaticView may also use temporary cookies to keep your account session. Temporary cookies will be removed from your computer each time you close your Internet browser.

Links to External Websites

Some pages of TaticView.com website contain links to external websites. You must verify the privacy practices of such other websites. SADIG is not responsible for the manner of use or misuse of information made available by you at such other websites. SADIG encourages you not to provide Personal Information, without assuring yourselves of the Privacy Policy Statement of each other website.

With Who SADIG Shares Information

SADIG may need to disclose Personal Information to our affiliates, service providers and business partners solely for the purpose of providing TaticView services to you. In such cases, SADIG will also ensure that such affiliates, service providers and business partners comply with this Privacy Policy Statement and adopt appropriate confidentiality and security measures. SADIG will obtain your prior specific consent before it shares or discloses your Personal Information to any person outside SADIG for any purpose that is not directly connected with providing its services to you. SADIG may share generic aggregated demographic information not linked to any Personal Information regarding visitors and users with our business partners and advertisers. Please be aware that laws in various jurisdictions in which SADIG operates may obligate us to disclose user information and the contents of your user account to the local law enforcement authorities under a legal process or an enforceable government request. In addition, SADIG may also disclose Personal Information and contents of your user account to

law enforcement authorities if such disclosure is determined to be necessary by SADIG in our sole and absolute discretion for protecting the safety of our users, employees, and the general public.

Information Security

SADIG has partners that adopt industry appropriate data collection, storage, and processing practices and security measures, as well as physical security measures to protect against unauthorized access, alteration, disclosure or destruction of your Personal Information, username, password, transaction information and data stored in your user account. Access to your name and email address is restricted to our employees who need to know such information in connection with providing TaticView services to you and this information are bound by confidentiality obligations.

Your Choice and Information Usage

You will be required to provide Personal Information to register for TaticView services. If you choose not to provide your Personal Information, SADIG will be unable to provide you with its services. You have the option to choose which kind of emails and content you want to receive, however, you may not be able to receive email notifications of new services, releases, upcoming events and changes to the Privacy Policy Statement should you decide to opt-out of receiving all messages from SADIG. In the event SADIG decides to use your Personal Information for any purpose other than as stated in this Privacy Policy, SADIG will offer you an effective way to opt out. You may cancel the receiving of newsletters and any other messages from TaticView, except messages related to TaticView use or subscription.

Access, Update and Removal of Personal Information

SADIG provides users with access to their own Personal Information. Users may correct, update or remove any such Personal Information accessing their user account.

Illegal Activities Investigation

SADIG may need to provide access to your Personal Information and the contents of your account to our employees and service providers for the purpose of investigating any suspected illegal activity or potential violation of the terms and conditions for use of TaticView. However, SADIG will ensure that such access is in compliance with this Privacy Policy and subject to appropriate confidentiality and security measures.

Privacy Policy Enforcement

SADIG make periodic reviews to ensure that Personal Information provided by you is used in conformity with this Privacy Policy Statement. If you have any concerns regarding our adherence to this Privacy Policy or the manner in which Personal Information is used for the purpose of providing TaticView services, please contact our care center at tatic@taticview.com that SADIG will address your concerns. SADIG will also co-operate with regulatory authorities in this regard if needed.

Change Notifications

Changes to SADIG Privacy Policy will be posted on our website in order to keep you informed of any changes in nature of information collected, a manner of collection, use and sharing of information. If at any point SADIG decides to use Personal Information in any manner different from that stated at the time it was collected, SADIG will notify you by email and provide you with the ability to opt out of these new uses. You will not receive email notification of minor changes to the Privacy Policy. If you are concerned about how your Personal Information is used, you should periodically check our Privacy Policy.

Forum

SADIG provides the capacity for users to post information in our forums (forum.taticview.com) for sharing information about TaticView in a public space. This information is publicly available to anyone. SADIG requires registration to publish information, but given the public nature of both platforms, any Personal Information disclosed within these forums may be used to contact users with unsolicited messages. SADIG encourages users to be cautious in the disclosure of Personal Information in the forums as SADIG is not responsible for the use or security of this information.

FAQ

1. What is meant by Policy?

For the purposes of this document, "policy" is understood as a set of measures aimed at achieving an end.

2. Who is SADIG?

It is the developer and holder of marketing rights over TaticView services.

3. What does SADIG want with its Privacy Policy?

With this Policy, SADIG seeks the protection of the personal data and privacy of any persons who access the TaticView services (hereinafter referred to as "users").

4. How does SADIG capture users' personal data?

- Online form voluntarily filled out by users during their registration process on the TaticView services, which includes the user name, your email address, country, language, and company.
- Automatic capture of information sent by the user's computer, cell phone, or other access devices. For example data on pages accessed, IP address, device ID or identifier, type of device, location information, computer and connection information, mobile network information, page statistics, traffic to and from the sites, referral URL, advertising data, standard web log data, and other information. In the interest of the user, most devices (computers, cell phones, etc.) allow disabling the location service.

- Automatic capture of anonymous information by means of "pixel tags", "flash cookies" or other local means of storage provided by the browser or applications, hereinafter referred to simply as "Cookies", which consist of data files, placed in the your device when the user accesses the TaticView services, aiming to monitor user behaviors, direct marketing campaigns and apply security features, etc.
- Providing users with voluntary online forms of information for groups of discussions, chatboxes or other similar communities. This information is basically: username, your address, phone number, and email address.
- Fetching through online forms of financial data to, if appropriate, enable users to purchase "TaticView Credits", which can be formalized through "bank cards" or "credit cards".
- Information provided by the user in "support tickets". Support tickets are online forms through which the user can make contact with the support team.
- If you choose to use the social network Facebook to perform your identification in the process of signing up for TaticView services, we point out that Facebook can share your information already in your (Facebook) power, only if you allow it.

5. For what does SADIG would use your personal data?

- User identification;
- Improvement of services;
- Receive the payment from the purchase of "TaticView Credits";
- Solve problems;
- Detect and correct frauds and illegal activities;
- Avoid the violation of the "Privacy Policy" and/or "Terms of Use";
- Protect the infrastructure of TaticView services;
- Perform advertising, updates, and promotions;
- Comply with the guidelines of the Brazilian Civil Registry, maintaining records of connection and access.

6. Does SADIG share users' personal data?

Subject to court orders, SADIG DOES NOT share, DOES NOT sell and does not rent, for anyone, information from its users, whether it is automatically taken from the devices used by the users, whether they are provided voluntarily by the users themselves, in addition to acting strongly in the preservation of data, of its confidentiality, through its internal information security policy.

7. How does SADIG store and protect the users' personal data?

TaticView services are fully operated in the cloud, more precisely on AWS (Amazon Web Services) servers.

AWS is internationally recognized as having secure and reliable data centers and is

responsible for protecting its customers/users' data by making use of the best security practices, be they physical, technical and administrative. These practices are designed to reduce the risk of loss, misuse, unauthorized access, disclosure, and alteration of data, including methodologies and tools such as firewalls and data encryption, physical access controls to data centers, and authorization controls to the access of information.

8. What rights do the TaticView Users have?

- Ask SADIG to remove you from email marketing relationships, so that you, the user, stop communicating about events and promotions.
- Disable Cookies if your browser or add-on allows. With the exception in cases where Cookies are necessary to assure the quality of the provision of TaticView services. Refusing Cookies may interfere with the use of these services.
- Review and edit your personal information at any time by accessing your account and profile.
- Request the exclusion of your data after the period of three (3) years of the termination of your contract.
